AFTER WHITE : ISSUE 1

ø To Belong ø

The main story begins in what is called "No Space" a room between space and time that appears to be completely white with barely visible walls. The protagonist "Eon" seems to have been born from the need of that space (similar to a body creating white cells to fight against a virus) same as a small creature that appears to be there for a longer time. The creature calling itself "Chaw" explains that through human nature and "SIN" Eon and him will be able to fight and destroy "chronical" anomalies to prevent them from destroying the timeline while meeting new and interesting people that will help them throughout their journey.

After traveling through a lot of different timelines and defeating the last anomaly that appeared to have been a "Time Guard" that lost themselves in "SIN" Eon decides to give up on his duties and live life the way he wants. He travels through all the timelines that he visited with Chaw to find a new home, at the end he decides to stay in a dimension with another creature named Ashtray.

The comic takes place a month after Eon's decision...

Eon is supposedly a human like creature wearing a plague doctor mask. Those masks can be dated back to the 17th century and were used for medical purposes. The name originates from the Greek word "ΑΙΩΝΙΟΝ" meaning forever or infinite (like time). Design wise he is supposed to appear mysterious yet playful.

"Ashtray" representing the future is a creature created by a chemical warfare that took place over a new biome that was affected after an alien invasion that left the world in a constant apocalyptic state. His design is that of the anthropomorphic bones of an animal specifically a dog that has appeared to have gone under mutation keeping its fur and even growing additional features such us antlers.

(The original concept creator "Jonas Josef Huber" (G.C.) has allowed his original character to be designed and used by me for this project.)

WHY DID I EVEN
STAY HERE?

IS THIS REALLY THE
RIGHT PLACE TO BE IN?

DO I EVEN BELONG HERE?

IS CAHW GONNA BE
OKAY ALONE?

WAS IT RIGHT FOR ME TO EVEN
LEAVE THE White Space?

BANG

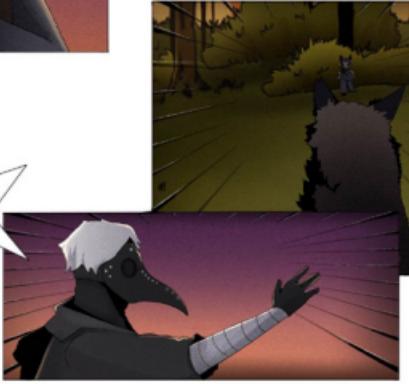

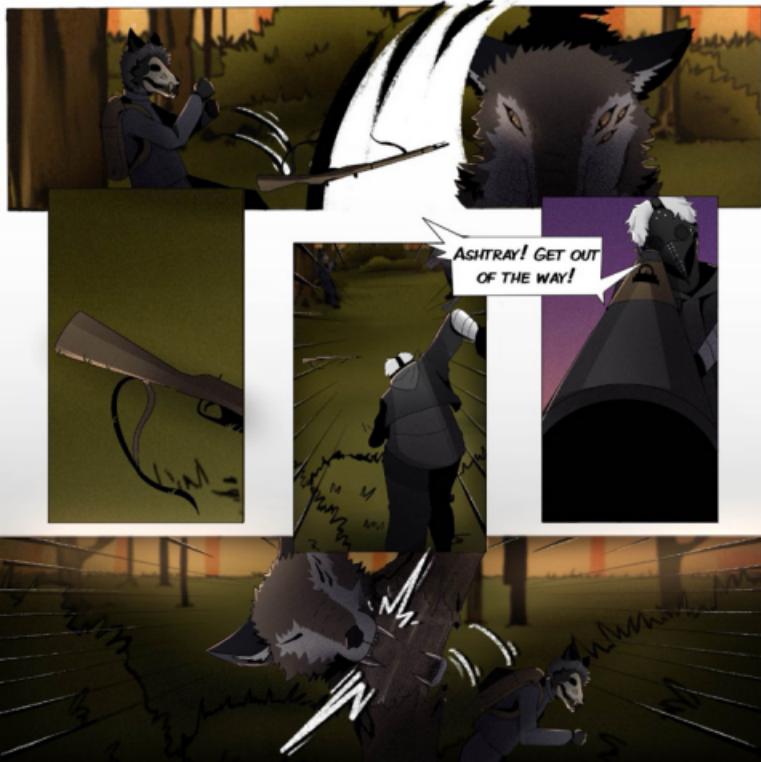

MOVE BACK!

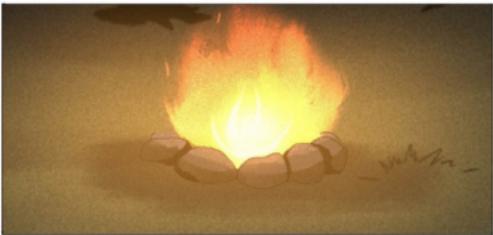

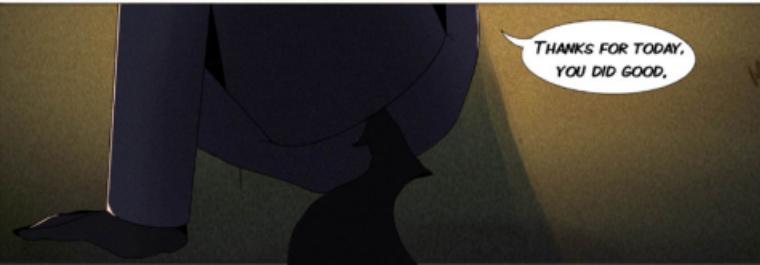

YEAH? WHAT IS IT?

I DON'T KNOW IF I MADE THE RIGHT CHOICE. I DON'T KNOW IF I'LL EVER BE ABLE TO KNOW.
BUT RIGHT NOW... THIS FEELS RIGHT.
